I bought it as an off-road bike and have tried to get the original registration number for both the Exeter and the Swansea Vehicle License Center, but I seem to have drawn an empty how they pass me by a Dept on the other hand, I know I could re-register it for directions with Q-discs, but honestly I rather use the original license plate, some info will be appreciated. You will be quite surprised by how many people we find on order parts, such as for a 1981 model XJ anyway, because it was sold to those who (or as a title), even though they actually have a 1982 model.. Give us your VIN available and we will provide you with World Manufacturer Identification, Vehicle Descriptor Section (VDS) Vehicle POINT (VIS), Control Numbers, Year Model, System Code, Manufacturer Identifier and Sequential Range Manufacturing.
